https://search.adarchives.org/en/permalink/archivaldescr3334

Date: 1894-1944  
Format: photographic textual records  
Collection/Fonds: Charles Macnamara fonds  
Description Level: Sub-Series  
Series: 2.3  
Creator: Charles Macnamara

4) "Life in the Lumbering Camps of McLachlin Bros." 1944. K1.7

The sub-series contains Macnamara's draft manuscript which documents the lumbering operation and life of the employees of McLachlin Bros. in the bush from about 1900 - 1903. It contains 83 Black & White prints and notes of Jean Cunningham's in the back. Macnamara tells a detailed and thorough story of what life for the lumbermen was like in this publication. Another version of this manuscript was donated to the Archives of Ontario by Jean Cunningham and a third copy was donated by Daniel McLachlin of Texas in 1999. PLEASE USE PHOTOCOPIED COPY stored in Reading Room with Outreach Material.

5) Brown Portfolio - Square Brackets depict a title supplied by the archivist (OVERSIZE BOX) K 3.2

This portfolio album contains mostly black and white prints with hand written captions. The paper quality of the album is poor, so that the pages are brittle. Several loose prints at the back of the album were left where they were found rather than integrating them with the loose print series because it appears that Macnamara's intention was to include these prints in this album at a later time.

https://search.adarchives.org/en/permalink/archivaldescr796

Format: textual records
photographic

Collection/Fonds: Peter Hessel collection

Description Level: File

Scope and Content:
The file consists of:

1. Photocopies of 2 photos of the sawmill rebuilt after a fire had destroyed the second mill in 1931 (photos taken in 1959). The originals are owned by Mrs. I. Cunningham, who lives opposite the site on Waba Creek. The first mill built in 1840 was destroyed by fire in 1912.

3. Black and white photo of the sawmill on the White Lake Road, north of White Lake Village, on Waba Creek, in the 1920s. The first mill on this site was the grist mill of John Paris (1840), who later also built a sawmill. His son James inherited the sawmill (the grist mill was destroyed by fire in 1912). The sawmill was later operated by Colin Deacon and Jack Campbell. It was struck by lightning and destroyed by fire on July 31, 1931. It was rebuilt, but eventually demolished. The same photo was used as an illustration in the book, “McNab — The Township” (Plate 62). This (colour) photo was taken by Peter Hessel of an original old photo.

4. Photocopy of article in “White Lake — The Later Years” by Peter Deacon, “The Deacon Family, with photo of the Headrick family c, 1875 and the Campbell and Deacin sawmill and grist mill. George Deacon, Marry Deacon nee Griffith. Colin Deacon, son of George, married Jane Headrick in 1896. Colin Deacon purchased a grist mill from John Paris and was co-owner of the sawmill with Jack Campbell. Colin Deacon was killed by a truck in 1950 at the age of 85. Memories of fishing at White Lake.

5. Four colour photos (3 in duplicate) by Peter Hessel (about 1999) of the property near where the Paris Mill stood on Waba Creek, White Lake.

6. Original postcard-sized black and white photo of the sawmill as in No. 3. Donated by Edith Morphy.
